# FIELD RESEARCH

PEOPLE / PLACE / CONTEXT / INSIGHTS

Understanding the museum's perspective.

## THREE KEY NEEDS

- 01 Clear cultural storyline**  
Connect people, texts and events into a coherent reading of Qi culture.
- 02 Accessible historical stories**  
Give audiences a clear entry point into complex historical material.
- 03 Digital media with a narrative purpose**  
Choose media that help explain the story and its cultural meaning.
